FOREWORD

The **Financial and Statistical Report of Alberta School Jurisdictions** provides certain financial data on the school jurisdictions in Alberta. It contains assessment and requisition, debenture borrowing and financial statement data.

In this edition, information is presented for the 1986 and 1987 fiscal periods/years.

This edition is organized into two parts. The assessment and requisition data is shown at the beginning of the book, since it is for all divisions, districts and counties. It includes a provincial total and is for both the 1986 and 1987 calendar years. The remainder of the book contains both debenture borrowing and financial statement data and is organized into three fiscal periods/years. The division and district data is shown for the twenty-month January 1, 1986 to August 31, 1987 period. It encompasses two fiscal periods, with balance sheet data at August 31, 1987. The counties data is shown for both the 1986 and 1987 calendar year. Each of the three fiscal periods/years sections includes a group total, but no overall provincial data is provided.

The assessment and requisition data is compiled from the 1986 and 1987 calendar year Supplementary Requisition Forms. These amounts are divided by the applicable September 30, 1986 or September 30, 1987 resident student data. This information has been revised to show additional net requisition, adjusted equalized assessment and per resident student data.

The debenture borrowing data is taken from the debentures sold to the Alberta Municipal Financing Corporation and is shown by interest rate and by term. Divisions and districts are shown for the twenty-month January 1, 1986 to August 31, 1987 period and counties are shown for the 1986 and 1987 calendar years.

The financial statement data presentation results from the change in the school fiscal year. Until December 31, 1985, all jurisdictions were on the calendar fiscal year for financial reporting purposes. Divisions and districts changed to the September 1 to August 31 school fiscal year in either 1986 or 1987 by submitting an eight-month January 1 to August 31 Audited Financial Statements form. This edition shows the divisions and districts Operating Fund revenues and expenditures for the eight-month January 1 to August 31, 1986 and the twelve-month January 1 to December 31, 1987 or for the twelve-month January 1 to December 31, 1986 and the eight-month January 1 to August 31, 1987, with a twenty-month total for each jurisdiction. As well, a twenty-month total of the Capital Fund Source and Application of Funds is shown. Balance sheet data is shown as at August 31, 1987.

Counties were not required to submit a school fiscal year audited financial statement. Thus, their financial statement data is taken from the January 1 to December 31 calendar year audited County School Funds Report for 1986 and 1987.

S.F.P.F. Levy

The Alberta Education School Foundation Program Fund (S.F.P.F.) revenue consisted of an amount from the S.F.P.F. levy on municipalities in the province and the balance from a legislative appropriation of provincial general revenue.

The S.F.P.F. levy remains on the calendar year and results from the S.F.P.F. requisition of x mills on the Provincial School Foundation Fund equalized assessment of municipalities. (The S.F.P.F. levy includes the City of Lloydminster; however, the Lloydminister school districts do not submit financial reporting data.)

The 1986 S.F.P.F. levy was $141,269,852 resulting from the S.F.P.F. requisition of 14.7 mills. (This included the City of Lloydminster levy of $643,143.)

The 1987 S.F.P.F. levy was $150,320,379 resulting from the S.F.P.F. requisition of 15.5 mills. (This included the City of Lloydminister levy of $707,345.)
